# High-Efficiency Natural Gas Equipment Rebate Program

**REBATES**

## APPLICATION AND OFFICIAL RULES

### QUALIFICATIONS:

- All qualifying energy efficient equipment must be natural gas, and installed at a residential or commercial location of a customer receiving natural gas service from Atmos Energy, Colorado Natural Gas, Eastern Colorado Utility or SourceGas in Colorado.
- Equipment must be installed by a licensed heating or plumbing contractor, or installed by the customer at the customer address listed on the form. Low-cost measures and thermostats do not need to be installed by contractors.
- Offer is valid from January 1, 2011 until funds are depleted. All applications must be postmarked no later than 60 days after the installation.
- Qualifying furnaces and boilers must be listed on the qualifying list of devices and meet the required AFUE rating.
- Qualifying tank water heaters must have an energy factor (EF) of .62 or greater and tankless water heaters an energy factor of .82 or greater.
- Programmable thermostats, limited to two rebates per account.
- Attach a copy of all dated receipts and/or invoices that document the installation. Make sure that these receipts indicate the name, license #, address, and phone number of the contractor that completed the installation. For proper sizing, please submit a copy of a Manual J or heat load calculation.
- All receipts and/or invoices must include equipment make, model and size to qualify for a rebate.
- Please mail your completed form below and a copy of your sales receipt to:  
Excess Is Out

or apply online at [www.conservationrebates.com](http://www.conservationrebates.com) and mail your receipts to the address above.

### PLEASE NOTE:

- Atmos Energy, Colorado Natural Gas, Eastern Colorado Utility and SourceGas have partnered with Electric & Gas Industries Association (EGIA) for the administration of this Program.
- **Do not include rebate application with your utility bill.**
- Program is subject to change without prior notice, and rebate offers may decrease or increase without notice.
- For questions regarding rebate status, please contact EGIA at 866-971-7347, Monday through Friday 9:00 a.m. to 6:00 p.m.
- For more information, to verify eligibility, or confirm products, visit [www.conservationrebates.com](http://www.conservationrebates.com).
- Customer must fill out and sign the application below or apply online at [www.conservationrebates.com](http://www.conservationrebates.com).
- Rebate amount may vary by utility, and will not exceed the cost of the measure.
- Devices installed may be verified for both the efficiency and installation of equipment.
- Atmos Energy, Colorado Natural Gas, Eastern Colorado Utility, SourceGas and EGIA are not responsible for items lost or delayed in the mail, or any rebate delayed due to incomplete or incorrect rebate applications.
- Atmos Energy, Colorado Natural Gas, Eastern Colorado Utility, SourceGas and EGIA are not responsible for any taxes that may be imposed as a result of receipt of any rebate.
- Atmos Energy, Colorado Natural Gas, Eastern Colorado Utility, SourceGas and EGIA disclaim any and all liability, loss or damage that may arise as a result of the applicant's or contractor's participation in the program.
